

What is extremely impressive is the average GPA of this group: **3.719**. They would not be in a position to participate in athletics at these schools if they were not accepted into these institutions first. The term “student-athlete” certainly fits to describe these Wildcats! This brings the total number of athletes who have committed to playing in college from this year’s graduating class to 26. Great job, Cats! Congrats!

Jean Carson	XC/Track	IUPUI
Jackson Hamersly	Football	DePauw University
Aidan Watkins	Soccer	St. Joseph’s University (PA)
