

December 22 – IUPUI Natatorium: The LN boys swimming & diving team broke North Central's 15-year run to capture the third Marion County championship in school history, their first since going back-to-back in 2001 and 2002. Going into the Saturday finals, the Wildcats were down 21 points to Franklin Central from Friday night's preliminary seeding. The Cats fought all day in a back and forth contest with the Flashes. Going into the last event, the 400 free relay, the Wildcats held a slim 2 point lead over Franklin Central. The team finished in dramatic fashion, with the team of Bennett Vail, Jacob Penrose, Tyler Birkla, and Joe Grese winning the last event to secure the team championship. Other Marion County champions included Bennett Vail in the 200 freestyle, Tyler Birkla in the 100 butterfly, and the 200 free relay team of Jasper Suiter, Khristian Hurt, Jacob Penrose and Bennett Vail. The Cats remain undefeated going into the LN Holiday Invitational on December 27th and the MIC Championships on January 5th.
